SOME of the region's most innovative and cutting-edge companies have been honoured at a glittering awards ceremony.

The sixth annual Platinum Awards for Business Excellence were held last night at Malvern Theatres, in Malvern.

About 170 people witnessed the cream of Malvern's business community collect their prizes at the awards ceremony, organised by Malvern Hills District Council (MHDC).

Entries from companies within the Malvern Hills district had poured in, with judges hard-pushed to choose in some categories, such was the calibre of the nominations.
